KAMUI

A NEW TITLE FOR 2005!

Spirits known as kamui are thrown into chaos when the sacred spirit Okikurumi is taken from Atsuma's village, and the imbalance threatens to destroy Earth. Infused with a spirit of an ancient sword, Atsuma must leave his village to reclaim Okikurumi.

He encounters NOA, an organization of youths who wield the power of the kamui, and who may hold the key to Okikurumi. Atsuma is recruited into NOA by Sumire, a young woman with an empty soul who yearns for a miracle. Atsuma and his new companions must work together to find Okikurumi before the world is destroyed.

I'M GONNA BE AN ANGEL!

Di Gi Charat, or Dejiko for short, is an alien hybrid-cat-eared girl with the ambition of becoming a super star on planet Earth. But in the meantime she works at the Gamers anime store getting into all sorts of trouble and adventures.

The animated series that started it all! *The Original Series*, with its blend of the cute, funny, and absolutely strange, introduced all of Japan to the life of the Gamers mascot. *The Movie* has Dejiko and her friends visiting home to meet her parents. And the spin-off series, *Leave it to Piyoko!*, stars everyone's favorite villainess as she and her gang try to capture Dejiko.
